

## **SECOND CONVOCATION OF 2022 PASSED-OUT BATCH OF ATTC & CCCT**

The State Board of Technical Education (SBTE) under the Education Department of the Government of Sikkim organized its first-ever Convocation for the 2019-2022 batch at Manan Kendra, Gangtok on 29th March 2023. The event marked a significant milestone in the academic journey of students from the Advanced Technical Training Centre (ATTC) and the Centre for Computers & Communication Technology (CCCT).

The ceremony, which commenced at 9:30 am, was graced by the Chief Minister of Sikkim, P.S. Golay, as the chief guest. Also in attendance were the Education Minister, K.N. Lepcha; Education Department Advisor, M.P. Subba; Additional Chief Secretary (Education), R. Telang; and other dignitaries from the state government.

A total of 403 students were awarded diploma certificates, which included 10 gold medals and 10 silver medals for outstanding academic achievements from both the polytechnic institutes.

In his address, Chief Minister P.S. Golay congratulated the students of the 2022 batch from ATTC and CCCT, encouraging them to aim for further accomplishments in the future. He emphasized the importance of becoming job providers rather than job seekers and expressed hope that the graduates would bring pride to their families, the state, and the nation through their contributions in the field of technology.

The Chief Minister also highlighted the state government's focus on transforming Sikkim into an education hub, with several university projects underway and priority given to completing infrastructure in existing colleges. He assured that the government would continue to support students facing financial constraints through scholarships and schemes to help them gain the skills needed to excel globally.

The Education Minister, K.N. Lepcha, praised the progress of the two polytechnic institutes under the state government, recognizing them as institutions of repute. He underscored the growing need for skilled manpower in today's technology-driven world and expressed confidence that the students would succeed both within and outside Sikkim.

The Additional Chief Secretary (Education), R. Telang, also addressed the gathering, offering his congratulations to the graduates.

Principals of the institutes, Sonam Palden Barfungpa of ATTC and B.B. Pradhan of CCCT, presented a brief report on the achievements of their respective institutes. They highlighted the successful implementation of AICTE-sponsored schemes and various activities of the institutes. The impressive placement record of students in multinational companies was also shared, underscoring the institutes' commitment to equipping students with the necessary skills for success in the professional world.

The convocation ceremony concluded with a sense of pride and accomplishment as the graduates embarked on the next phase of their journeys, equipped with the knowledge and skills to shape their futures and contribute to the development of technology.
